

Sylvania Community Services Receives Chamber Champion Award
March 2010

Great News! Sylvania Community Services was given a "Chamber Champion" award by the Sylvania Chamber of Commerce at the Sylvania Business Expo party on Friday March 19th, 2010! Our agency won in the category of Non-Profit Organization. Each year, the Sylvania Chamber gives 6 awards in the following categories: Small Business Champion - under 10 associates, Business Champion of the Year - over 10 associates, Retail Business Champion of the Year, Business Champion of the Year, Non-Profit Organization Champion, and the Chamber Volunteer Champion.

The Chamber states: "The Sylvania Chamber has so many great businesses, community organizations, business leaders and volunteers who work tirelessly to insure that their business or community organization has outstanding leadership. Often we forget to take time to recognize these members who make the Sylvania Area the tremendous place it is." The Sylvania Chamber currently has 435 business with 525 members.

I thank each and every staff member, participant, volunteer, and board member for their outstanding contributions that make our agency GREAT!

Proudly,

Claire A. Proctor, Executive Director
Sylvania Community Services
