Community  
Services

Annual Report  
2015

## 39 years strong in 2015

2015 was a terrific year for new beginnings. Our Child Care program opened two additional "Before and After" school sites at Stranahan and Sylvan Elementary schools. Thanks to our continued partnership

with Sylvania Schools, we served close to 800 children, exceeding previous years.

Our Sylvania Senior Center offered new opportunities too. We expanded medical screenings; added line dancing and other fitness classes; and began courses in genealogy, the Impressionists, and "Maximizing your Memory." We are privileged to serve the Sylvania community and are grateful to all our community partners.

Thank you Sylvania for allowing us to serve you for 39 years.

Claire A. Proctor, Executive Director

## Sylvania Senior Center

*"This place saved my life; if I had my stroke at home I would have a life altering change in my health. I thank God every day for the place that saved my life and keeps me healthy by utilizing the exercise classes!"*

Naomi (pictured with her husband Don)

**45,643**

**healthy aging opportunities were provided by Sylvania Senior Center in 2015.**

**937**

**home maintenance visits were provided to keep seniors independent and in their own home.**

*"I love providing home care services for those who are not able to do it themselves. Meeting new people, and seeing their smiling faces reminds me I'm making a difference in their lives."*

Candee

**2,700** essential-errands trips were provided to seniors in the Sylvania community.

**Our mission: to promote healthy aging**

## Sylvania Child Care

*"I was so happy for the help. I wasn't sure how I was going to afford this. Aubrey has grown so much from attending your preschool. It has enhanced her independence and she is more prepared for kindergarten. This is the best decision I've ever made, I wish she would have started sooner. The Woodrow staff is wonderful."*

*Amanda K., mother of Aubrey*

**A total of 800 children**  
were cared for in 2015 in  
the before/after school care,  
preschools, and summer  
programs.

 **9 out of 9** of our  
locations, including our two  
new sites at Stranahan and  
Sylvan, received perfect state  
inspections in 2015.

*"Play is often talked about as if it were a relief from serious learning. But for children, play is serious learning. Play is the work of childhood."*

*Mr. Fred Rogers*

 **\$10,000**  
of scholarship funds  
were spent to keep  
children in care rather  
than home alone.

**Our mission: To provide safe, quality child care in a learning environment**
